

Ratings

Met Standard: Assigned to districts and campuses that meet performance index targets on all indexes for which they have performance data in 2013.

Met Alternative Standard: Assigned to charter operators and alternative education campuses evaluated under alternative accountability provisions that meet modified performance index targets on all indexes for which they have performance data in 2013.

Improvement Required: Denotes that a district or campus did not meet one or more performance index targets.

Not Rated: Indicates that a district or campus is not rated.

Distinction Designation

Distinction designations recognize outstanding academic achievement in reading/English language arts and mathematics on various indicators of postsecondary readiness. Campuses that receive an accountability rating of Met Standard are eligible for the following distinction designations in 2013.

Top 25% Student Progress: The campus achieved the top quartile (top 25%) of performance on Index 2: Student Progress in relation to its campus comparison group.

Academic Achievement in Reading/English language arts (ELA): The campus achieved the top quartile (top 25%) in relation to its campus comparison group on 50% or more (elementary/middle schools) or 33% or more (high schools) of their eligible measures in reading/ELA.

Academic Achievement in Mathematics: The campus achieved the top quartile (top 25%) in relation to its campus comparison group on 50% or more (elementary/middle schools) or 33% or more (high schools) of their eligible measures in mathematics.
